Confirmation of voluntary commitment by Marissa Krieger

Marissa Krieger (09.04.1991) is a voluntary supporter of Viva con Agua. She is supporting our public charity in the honorary regional group in Darmstadt, Germany.

Viva con Agua (VCA) is a network of people and organisations committed to establish access to clean drinking water and basic sanitation for all humans worldwide. We use creative and joyfull activities to raise awareness for the global issues WATER, SANITATION and HYGIENE (short WASH) and simultaneously raise funds for waterprojects of our partner Welthungerhilfe (German Agro Action).

We sincerely thank Ms. Krieger for her previous commitment and hope that she will continue to support us.

Sincerely

Mario Dresing
